Secretary's Report Intergroup Meeting October 19, 2011

As Secretary, it is my responsibility to report a summary of all Unfinished Business, New Business, and any motions that were passed at the September 21, 2011 Service Board Meeting. Details of the following items will be discussed further during tonight's meeting.

Unfinished Business:

Dave S. discussed the status of the revisions to the By-Laws required by the admission of District 57 to O.C. Intergroup. That work is currently in progress. Sections of the By-Laws are being revised by individuals.

New Business:

Alan R. discussed and provided information regarding World Service proposed changes to procedures regarding Alateen Sponsors and the Summary of Proposed Updates dated 8/2/11.

Chris C. & Gordon A. gave presentations regarding SCAC, the SCAC Bus and the potential of having the O.C. Service Board get involved with these activities. The SCAC Bus has a three year history of success and the last bus had to turn away riders. Next years' goal is to have two SCAC Buses. They thanked the Service Board for our support and donation last year (2011). During this discussion it was suggested that the Service Board consider having a member participate in the coordinating of the SCAC Bus or Buses.

Motions Passed:

None

Thank you for allowing me to be of service.

October 19, 2011

Hello and Welcome, Intergroup Reps. Thank you for coming this evening and being of service.

We have some old business to discuss tonight. Your vote last meeting to add District 57 to our own O.C. Intergroup has given Dave S. and his volunteers some work to do to update our Manual. I'll ask Dave for an update once we get to old business. The process we follow is that once the updates are done, the Service Board will review it for accuracy, we'll then make a copy for each of you to take to your group for information and review. The next Intergroup meeting after that (hopefully February) you'll have the opportunity to approve the changes. February is also the meeting for nominations and we'll be looking for two nominees for the Service Board from Districts 60, 63, and 67, but we'll need four nominees from District 57. Usually the terms on the Board are for two years, but the first time with District 57 we'll have two people nominated for one year terms with the other two nominated for two year terms.

We've got the Talladega Nights fundraiser coming up in November and then December 3rd we've got the Holiday Alathon! I used to get a little annoyed at what seemed to be an almost constant request for more of my money from Alanon Fundraisers. They were everywhere it seemed. My viewpoint has changed a bit since then. Now I see these activities less as Fundraisers and more as opportunities to help the families of alcoholics. My own involvement in them has helped my family by helping me to grow in maturity and to grow spiritually. I recommend it.

Many reports and flyers are on the back table for you to take to your meetings. In addition, please remember that all Service Board Reports will be posted to the Orange County Information Office Website within a few days. The website is

Hope you enjoy tonight,

Alan

Intergroup Meeting

Good evening Board Members & I. Rs.. I'am happy too announce that our 36th Annual Fundraiser turn out to be ok, not great, sorry to say. Our 50/50 raffle was good. We raised over 1000 dollars, so the winner took home over \$500.00, so that was cool. But I'd wised that the attendance would have been a lot better than it was (poor support).

I only hope that next year we have a better turn out & support. I want to thank our speakers Les N., Kelly R. & Will W. they were great. Again Thank You. I would like to thank everyone that helped set up in the morning, helped during the function & to those that stayed to clean & helped to pick up. Thanks Again.

Hi Everyone,

There are some changes in the Costa Mesa *Battered Woman's Shelter* panel. We now need panel members for Tuesday nights instead of Thursday's. This panel will meet every 3 months instead of monthly. Those dates are Nov. 15th, Feb. 21st, May 15th, and Aug. 14th.

We also still need panel members for the *Able To Change* recovery group in San Juan Capistrano. We're still waiting to hear back from the *Ocean View Recovery* also in San Juan Capistrano so we will wait until the next panel is needed.

Please feel to contact us or if there is anyone at your meetings interested in doing any of these panels have them contact us.

Thanks for all your help,

ROUND ROBIN

What is a Round Robin?

A Round Robin is a special meeting put on by one group with an invitation for members from other groups to attend and share. It can add fun and variety to a meeting, bring sharing from other groups and attract new members.

Why have a Round Robin?

Having a Round Robin can help your group to grow. It also allows you to collect donations other than the regular 7th tradition to help support the Al-Anon Information Service Office of Orange County. This office is extremely important for Al-Anon. It helps new comers find a meeting and provides support. The office also is a place for our literature.

Once your group has decided to put on a Round Robin, please call or email me to let me know. We want to announce it at the Intergroup Meetings so that IRs can take the information back to there meetings. Additionally, we want to have it posted in the Orange Blossom!! We need to get that information into the Orange Blossom Editor by the 10th of the Month for the following month. Once a Round Robin is completed please give me a call and let me know how it went and the total amount that was collected for the OC Information Office. I would like to post this in the Orange Blossom as well as keep track of what we are contributing to our Service Center.

Thank You Intergroup Reps for your participation!

Orange Blossom Report:

Mr. Chairman and members of the Service Board:

I am now in my fourth month of preparing the Orange Blossom for publication and I believe I'm getting the ropes. There is a decent flow of input, and I try to prioritize and include as much as I can. It remains something of a challenge given my very busy schedule, but getting better at it speeds the process. I haven't made too many mistakes (of which I'm aware.)

Respectfully submitted,

Daniel G.
