

Spanish Liaison report

Cindy and I followed up in the plan to start visiting Spanish speaking groups without ISR or Grs.

We were unable to find the meeting on Orangethorpe in Buena Park. We reported to SCWS. Since then, Teresa F. confirmed that the meeting is active and the Hispanic Intergroup Chair, Josefa is going to attend it and get better directions to help newcomers find the meeting.

Last Saturday we attended the Hispanic Intergroup bimonthly meeting. They just had a workshop on Anonymity and this coming Saturday there will be a workshop on Relationships.

They continue working on the website updates and Marce, the new Bulletin chair will be sharing the list of active meetings with the Spanish Liaison email so OC Intergroup has the latest confirmed information to provide newcomers who call looking for meetings to attend.

We offer support and both Josefa and Marce will stay in communication with both of us.

Thank you for letting us be of Service!

Marilen H.
